To whom it may concern,

All full papers accepted for publication in the Proceedings of the 2009 ICOMS Conference were independently peer reviewed. Authors were given the opportunity to amend their paper in light of these reviews before the decision to accept and publish the paper was made. This process of reviewing is in accordance with the criteria set by the Department of Education, Science and Training (DEST) of the Australian Government for published papers.

Yours sincerely,

Joanna Sikorska
ICOMS 2009 Technical Chair
