effective asset management'

ASSET MANAGEMENT COUNCIL

WEBINAR

# ASSET MANAGEMENT AND ISO 5500X MANAGEMENT SYSTEMS STANDARD

At this webinar you will learn —

- How the Asset Management landscape in Australia fits on the International stage
- What are the issues of contention in the writing of the ISO 5500x standard and how best to approach them
- The circumstances in the industry that led to the decision to develop the ISO 5500x standard and associated JAS-ANZ Asset Management Systems (AMS) scheme
- What is the Certified Asset Management Assessor (CAMA) scheme
- What does a sound ISO 55001 audit look like

**Wednesday 14th September 2016 | 2pm – 3pm EST**

**At your desk**

## PRESENTER: DAVE DAINES

Dave Daines is an Asset Management professional who has significant experience in all aspects of Asset Management at an operational and corporate level within the Resource Industry.
